Dear Kishore Kumar Subramanian,

Hope you are progressing well for the submission of DVCon India 2026 Design Contest Stage 2A on 17th May.

The submission page is open for Stage 2A report submission. Please submit your report against "DC_Stage2_Submission" field.

Stage 2A Deliverables:

1. Code for functionally correct for object detection based on input queries
2. A two-page report: One page on the approach description and one page on results snapshot
3. Video demonstration on the application

Please upload a zip file with all the above as Easychair allows only one file submission.

Bonefide certificate: Please Do NOT send the bonefide certificates/emails from your HOD through email. You need to upload either the bonefide certificate from your institution or a pdf of the mail from your HOD (with name, registration #/student ID, Course and batch) of all team members, in EasyChair.

Please reach out to us if you have any further questions.

Thanks,
Track Chairs,
